Moo'd Maker - Cow Planter

Spotted — The cutest pot in town!

Bring a dose of adorable farmyard charm to your home with this waterproof, hand-painted terracotta planter, with black spots and a rosy snout. Perfect for succulents, cacti, and small plants, a design to keep surfaces clean while adding playful personality to your décor. It's an instant conversation starter for your desk, windowsill, or kitchen shelf.

Price: 899/-

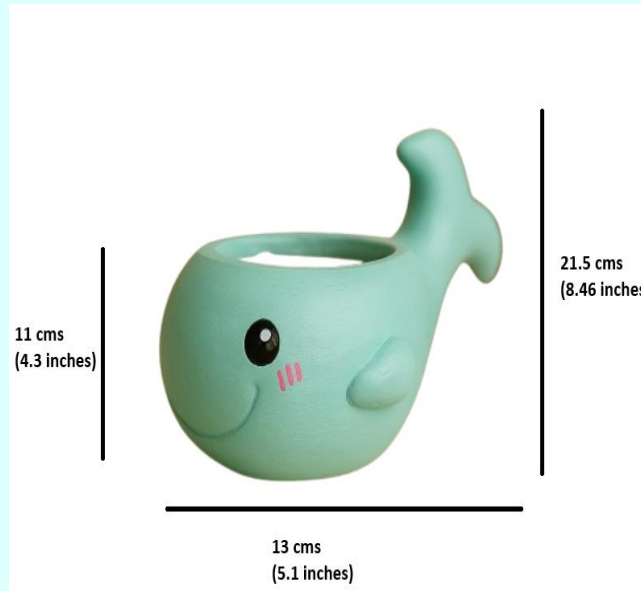

Bubbles – The Happy Fish Planter

Swimming Into Your Heart — A little ocean magic to lift your spirits daily.

Bring a wave of ocean charm to your home with this waterproof, hand-painted terracotta planter, featuring a big friendly smile, rosy cheeks, and sparkling eyes. Perfect for succulents, cacti, and small plants, its cheerful design keeps surfaces tidy while adding a splash of playful personality to your décor. An instant conversation starter for your desk, windowsill, or kitchen shelf.

Price: 699/-

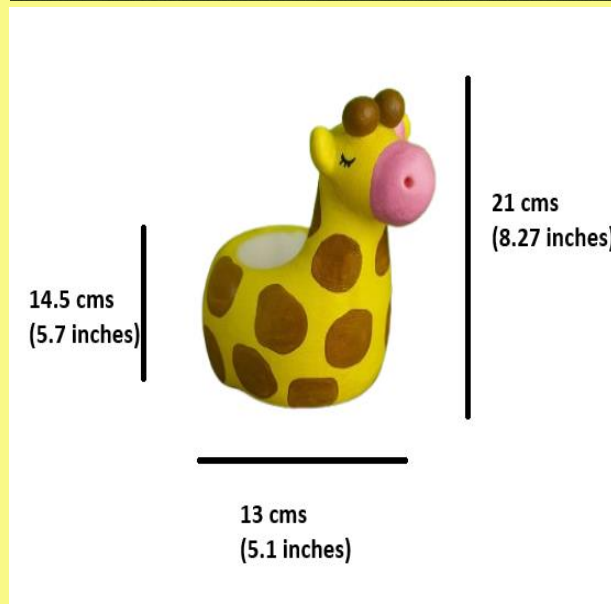

Pothead Pete – The Chill Giraffe Planter

The tallest dose of cuteness in town!

This waterproof, hand-painted terracotta planter shows off warm yellow tones, bold brown spots, and a sweet pink snout, paired with closed, dreamy eyes for that ultimate “chill” vibe. Perfect for succulents, cacti, or small plants, Pete’s playful design keeps surfaces mess-free while adding a touch of whimsy to your décor. A laid-back companion for your desk, windowsill, or kitchen shelf.

Price: 799/-

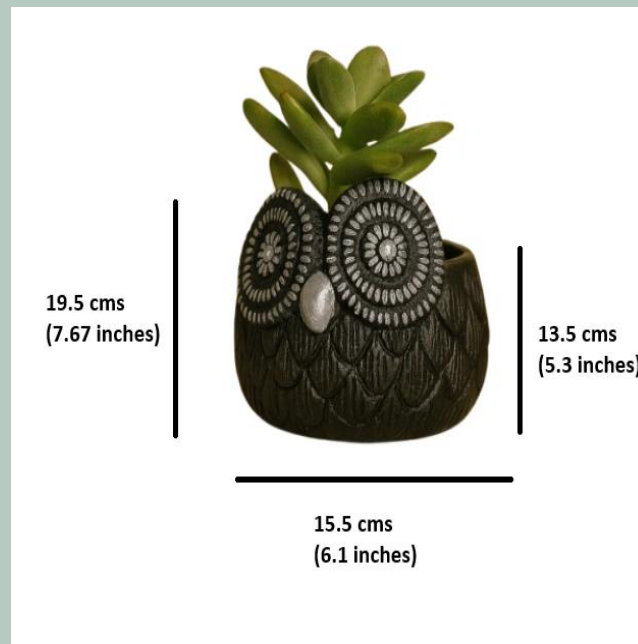

Owl Eyes on Me – The Watchful Planter

Bold, wise, and a little mysterious, this planter is a real head-turner.

Crafted from waterproof, hand-painted terracotta, it features intricate feather patterns, striking silver eyes, and a beak that means business. Perfect for succulents, cacti, or other small plants, this design keeps your surfaces clean while adding a dose of elegance with a hint of edge. A unique accent for your desk, windowsill, or any spot that deserves a watchful guardian.

Price: 999/-

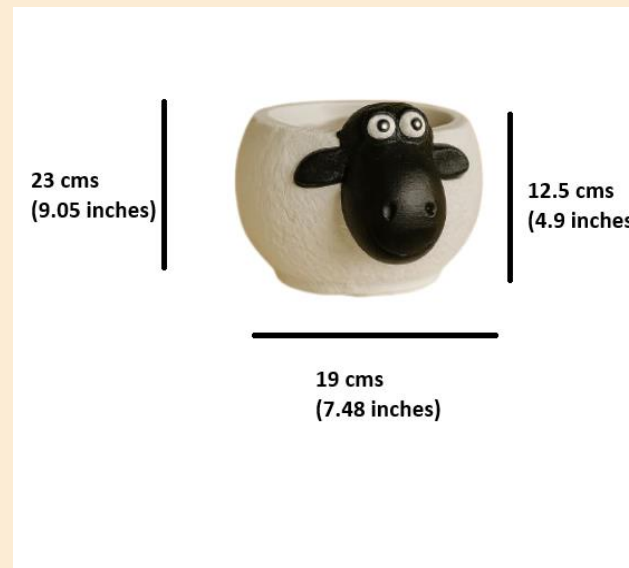

Woolly Wonka – The Quirky Sheep Planter

Soft on the outside, big on personality.

This waterproof, hand-painted terracotta planter sports a crisp white body and an expressive black sheep face with wide, curious eyes. Perfect for succulents, cacti, and other small plants, Woolly Wonka brings a playful farmyard touch to your space while keeping surfaces neat. A charming pick for desks, windowsills, or kitchen shelves that need a dose of fun.

Price: 799/-

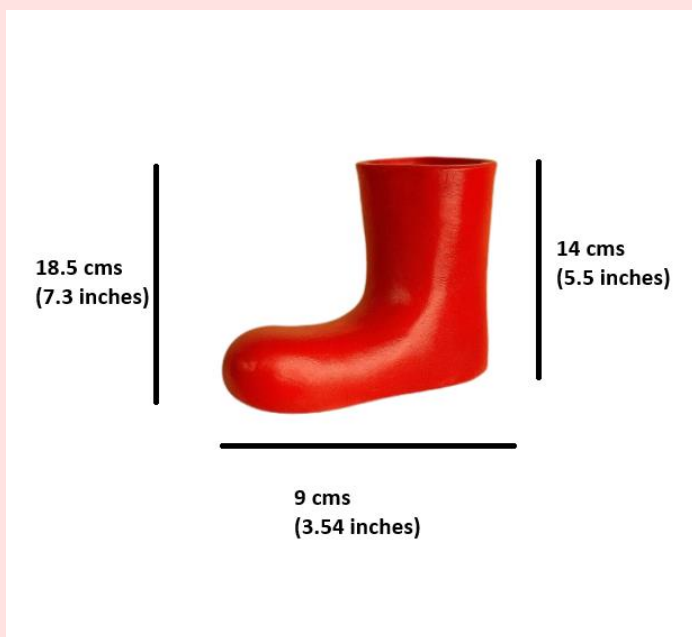

Sole Survivor – The Bold Boot Pot

A statement piece that steps up your décor game.

This waterproof, hand-painted terracotta planter comes in a striking fire-engine red boot shape, perfect for adding a pop of personality to any space. Ideal for succulents, cacti, or small plants, it's designed to keep surfaces tidy while bringing a quirky, playful twist to your home. A must-have for desks, windowsills, or shelves that need a splash of bold charm.

Price: 899/-

Whispers of Nirvana – The Serene Buddha Pot

A touch of calm for your home and soul.

This waterproof, hand-painted terracotta planter captures the tranquil essence of Buddha, featuring a peaceful closed-eye expression, intricate golden curls, and a gilded forehead accent. Perfect for succulents, cacti, or small plants, it keeps your surfaces pristine while infusing your space with a sense of mindfulness. An elegant choice for desks, meditation corners, or shelves seeking harmony and beauty.
